Making a map The Western States

(Use the map on page 247 of your Social Studies book for assistance.)

_____ Label each of the 13 western states and locate and name its capital.

_____ Locate and label these bodies of water:

_____ Great Salt Lake

_____ Arctic Ocean

_____ Colorado River

_____ Columbia River

_____ Pacific Ocean

_____ Rio Grande River

_____ Bering Strait

_____ Missouri River

_____ Locate and label these geographic features and places:

_____ Rocky Mountains

_____ Mt. Whitney

_____ Cascade Range

_____ Grand Canyon

_____ Sierra Nevada Mountains

_____ Death Valley

_____ Coast Ranges

_____ Mojave Desert

_____ Olympic Peninsula

_____ Yellowstone National Park

_____ Continental Divide

_____ Mt. McKinley

_____ Mt. Ranier

_____ Aleutian Islands

_____ Color the states different colors so two states of the same color are not beside each other.

_____ Color the bodies of water that you labeled blue.

_____ Give a title to your map.

Make sure your work is neat and everything is spelled correctly.
Use colored pencils ONLY to color your map.

DUE DATE: _____
